Mr. Goodman,

Based on our correspondence indicating your concerns about being late with the filing, after we received your draft we understood that we had the authority to file the joint letter after adding our sections. This is exactly what we did. If you feel like the filing does not accurately represent your position, you are free to make an additional filing stating the difference between what we filed and what you wanted to say to the court.

Yours very truly,

Brett Heavner

B. Brett Heavner
